Location:	RAF Lakenheath	Vacancy Number	957133
Open Date:	26 March 2024	Close Date	Open Until Filled
Work Hour Per Week	39 hours per week	Salary (Per Hour)	£14.55 - £15.95

**** Several vacancies may be available - multiple selections can be made from this announcement ****

Main Purpose

We are currently seeking a highly skilled and motivated individual to join a premier team of Fuels Distribution Systems Technician at the 48th Civil Engineering Squadron, Royal Air Force RAF Lakenheath, United Kingdom

You will maintain, inspect, install, repair, replace and modify liquid fuel storage and distribution systems and their electrical components. Inspects and tests fuel receiving, storage, and distribution facilities and performs preventative maintenance on fuel systems and components. Performs all phases of liquid fuel system and component maintenance including preventative maintenance, troubleshooting, repair and modification.

Troubleshoots and repairs problems in the electrical components of liquid fuel distribution systems. Participates in cleaning interior of bulk storage tanks, above and below ground, by entering tanks. Utilizes safety practices and procedures following established safety rules and regulations and maintains a safe and clean work environment.

If you're looking for a challenging, gratifying career supporting the US Visiting Forces in the United Kingdom -- this job is for you; apply today!

Knowledge and Experience Required - Applicants must demonstrate the following:

- Must have knowledge and documented experience of fuel distribution and storage systems; of the physical properties and hazards associated with the handling of various types of petroleum fuels; and of preventative maintenance and inspection techniques as applied to fuel distribution and storage systems.
- Knowledge and experience of the troubleshooting, maintenance, and repair of electrical components such as electric motors, disconnect switches, starters, contractors, solenoids, and magnetic switches.
- Must have knowledge of and experience applying safety regulations, procedures, and practices.
- Must be able to calibrate fuel dispensing systems, tank, and pressure gauges.
- Skill in techniques used to measure, cut, thread, join and fit piping and tubing.
- Must be able to analyze deficiencies and diagnose malfunctions of system components such as automatic control valves.
- NVQ/City and Guilds Level 2 Welding and Mechanical Engineering certification, or HND/HNC/BTEC, is desirable.

Other Important Information

- Hours of work: Mon-Thu 0730-1600, Fri 0730-1500. Start & end times may be modified due to mission needs and in accordance with organization's flexible working policies.
- Will be required to handle and safeguard sensitive information in accordance with applicable US and UK laws, rules, and regulations.
- Must obtain and maintain the appropriate security clearance.
- May be assigned other duties that are appropriate to the grade and skill set of the employee.
- May be required to travel by military and/or civilian aircraft in the performance of official duties or attend necessary training. Position may be coded as mission essential.
- A 6-month probationary period will be required.
- Overtime may be required.
- May be required to travel overnight to US or other countries in the performance of official duties or attend necessary training.

- The work may require that the employee be certified in the use of a respirator.
- Must be able to work in confined spaces and must pass C53 (confined space level3) certification to work in high-risk confines spaces.
- Must be able to use full working breathing apparatus in the event of an emergency.
- The work may require that the employee be certified or be able to be certified as qualified for entry into hazardous liquid fuel tanks for inspection, cleaning, and repair.
- A full valid Driver's License, Category B, is required for this position.

Benefits

- 25 days Annual Leave + UK Bank Holidays, year-to-year carryover in accordance with program policy
- Paid Sick Leave; year-to-year carryover in accordance with program policy
- Pension Scheme
- Life Assurance Scheme
- Employee Assistance Program (EAP)
- Free on-site parking
- Specialized Training provided throughout entire period of employment
- Development opportunities available
- Time off, cash and honorary awards and recognition available for significant contributions and consistent high performance
- Free access to on-site gym facilities

Who Can Apply

- Citizens of the U.K., Nationals of European Community (EC) Countries, and Commonwealth Citizens, other Foreign Nationals, and Stateless persons provided no restrictions have been imposed as a condition of continued residency in the UK.
- Applicants who have a minimum of five years consecutive residency in the UK are considered for this

position; however, those who do not meet this criterion will be considered on a case-by-case basis. All successful applicants will require a security clearance.

- Please note pre-appointment security clearance requirements may delay start date.
- Proof of identification in the form of a photo ID will be required, for example a driving license or current passport.
- This position may have certain restrictions to US citizens due to the Status of Forces Agreement.
- For additional information contact the LNDH team on 01638 544955.

How To Apply

Interested candidates must complete an application form obtainable from the Civilian Personnel Website; https://www.mildenhall.af.mil/Portals/9/documents/civ_pers/AFD-150724-024.pdf?ver=2016-04-28-085219410.

All applications must submit the following documents via email to 100fss.fsmc6@us.af.mil prior to the closing date of the advertisement to be considered for the position.

Required Documents

- LNDH Application

Optional Documents

- Curriculum Vitale (CV) and/or Resume (*A CV/Resume is encouraged, but not required. Decision to include a resume will not increase or decrease probability of selection*)
- Transcripts
- Certifications
- Letters of Recommendation
- Right to Work Documentation

Equal Opportunity Employer

There will be no discrimination in employment practices based on gender, age, marital status, disability, race, nationality, religion or beliefs, sexual orientation, being or not being a member of a trade union.
