

**DEPARTMENT OF THE AIR FORCE
HEADQUARTERS 100TH AIR REFUELING WING (USAF)
ROYAL AIR FORCE MILDENHALL, ENGLAND**

26 December 2020

MEMORANDUM FOR ALL RAF MILDENHALL AIRMEN

FROM: 100 ARW/CC

SUBJECT: COVID-19 Commander's Directives (Consolidated COVID-19 CAT Directives)

Purpose: Provide up-to-date wing guidance related to our COVID-19 response in a way that is clear, concise, and readily accessible to all members of Team Mildenhall. **Changes are noted in red.**

Method: This memorandum supersedes all prior Crisis Action Team Directives (CAT Dir), which are hereby rescinded effective immediately, with the exception of CAT Dir 34-Dorm and Lodging Resident Resiliency Groups and CAT Dir 38-Transient Personnel Policy. The directives set forth below will remain in effect until superseded or rescinded. RAF Mildenhall will align with the current host nation Tier Level restrictions in effect for the tri-base area. All personnel are required to follow the current Host Nation (HN) law and guidance (to include local alert restrictions in areas of residence or travel) unless the guidance stated below is more restrictive.

Local COVID alert information and restrictions are available at <https://www.gov.uk/coronavirus>, under "What You Can and Cannot Do." Additionally, unless otherwise approved by the 100 ARW/CC, all facilities and activities will align with that authorized by the HN. Status of services on RAF Mildenhall will be communicated via the Square D app. Exceptions for 352 SOW facilities and activities, will be approved by the 352 SOW/CC.

Health Protection Condition. All Airmen are directed to observe **HPCON BRAVO** with additional **CHARLIE/DELTA** measures per the attached.

COVID-19 Recovery Phase. All units are directed to observe **Recovery Phase 1** per their established unit recovery plans.

DoD Stop Movement. The DoD is taking a conditions-based, phased approach to personnel movement. DoD service members and DoD civilian personnel, as well as dependents where travel is government-funded, will stop movement unless an exemption applies or an exception to policy (ETP) is granted by the 100 ARW/CC or first O-6 in traveler's chain of command. 352 SOW personnel will follow guidance linked below. Review the DoD Stop Movement gating criteria at: <https://www.defense.gov/Explore/Spotlight/Coronavirus/>. For PCS/TDY travel, see AFPC guidance at: https://mypers.af.mil/app/answers/detail/a_id/46605. For EUCOM AOR, see USAFE guidance at: https://intelshare.intelink.gov/sites/usafe-afafrika/UASR/CV19/_layouts/15/start.aspx#/SitePages/Home.aspx - For 352 SOW specific guidance, see 352 SOW COVID SharePoint at: <https://portal.usafe.af.mil/sites/352SOW/COVID19/SitePages/Home.aspx>

Travel/Leave/Liberty. Individuals residing on base or in an England COVID Tier 4 (Stay at Home) location will stay at home unless required for work, school, outdoor exercise, visiting those in their support bubble, worship, buying goods/services from locations permitted to be open, medical concerns, or other activities outlined at <https://www.gov.uk/guidance/tier-4-stay-at-home?priority-taxon=774cee22-d896-44c1-a611-e3109cce8eae>. Any such travel should be within the COVID Tier 4 local area IAW HN guidance. The unit commander is the approval authority for on island travel that meets an exception as laid out in HN guidance and is outside the local area.

Leave, liberty or pass requests involving travel will be restricted to non-leisure travel that is preapproved by the unit commander. Non-leisure travel could include emergency leave, leave to see a family member who is injured or sick and leave that falls under essential or hardship justification.

Uniformed members from the 727 AMS, 488 IS, and 95 RS tenant units are encouraged to utilize this guidance in conjunction with their parent-command guidance. Members from the 352 SOW will adhere to guidance from their respective wing.

Airmen – Readiness – Culture

100 ARW personnel will quarantine for 10 days upon arrival from **ANY LOCATION** outside of the UK, unless exempted by HN guidance. Personnel traveling outside of the UK or within the UK to an area designated as a “Very High” risk area will conduct a travel risk assessment (example attached) which will be reviewed by their unit commander prior to departing for leave, Liberty Pass, PCS, TDY, or deployment travel, and again upon return.

Prior to travel, ALL personnel must review the HN’s list of countries in the “travel corridor” that do not require a 10-day quarantine upon return (<https://www.gov.uk/guidance/coronavirus-covid-19-travel-corridors/>). Personnel must also confirm any entry requirements or restrictions in destination locations, to include those prescribed in DoD travel policies. If the destination country’s status changes prior to departure, the travel must be re-evaluated with the unit commander (or supervisor for civilian employees). Passports & PCS Orders shall be carried by all personnel traveling outside the UK. The Purchase of travel insurance is highly encouraged. CONUS and OCONUS travel risk can be found at <https://globalepidemics.org/key-metrics-for-covid-suppression/>.

Restriction of Movement (ROM) Quarantine and isolation are valid military orders; military members who are directed to quarantine or isolate by their unit commander or the 48 MDG may be subject to administrative or disciplinary action for violations. Civilian employees, contractors, and dependents who do not receive medical care on-base will also follow guidance provided by the National Health Service. See Attachment 1 that supplements this guidance and gives unit commanders and personnel additional, detailed ROE and restrictions for both quarantine and isolation.

- **QUARANTINE** means you may be at risk for developing COVID-19 infection due to travel or close contact with a confirmed COVID-19 positive individual. The US and UK have recently updated their quarantine guidance. Balancing US and host nation guidance, as well as mission and mental health concerns, 100 ARW policy follows:
 - o Quarantine due to close contact: 10 days from last exposure to COVID positive individual, with no option to curtail quarantine through testing.
 - o Quarantine due to travel: 10 days, with options to curtail quarantine as follows:
 - For official travel, to include dependents on PCS orders, commanders may direct “Command-directed, medically-executed” testing after 5 full days from arrival in England. The 48 MDG conducts testing Monday through Friday (except on federal holidays and Family Days).
 - Upon receipt of a negative test result, the commander may allow early discontinuation of quarantine no earlier than completion of the 7th full day after arrival. 48 MDG will inform commanders on how to schedule the testing.
 - Wing testing capacity is better than what it has been, but there are still limits. If testing demand exceeds capacity then the 48 MDG will suspend quarantine curtailment through testing. Also, normal turn-around time from test sample to result is 48-72 hours.
 - For non-official/leisure travel individuals may obtain a test via an authorized private provider and discontinue quarantine on the same time schedule; this cost is currently non-reimbursable. A list of providers will be available at www.gov.uk.
 - Completion of the 10 day quarantine is associated with lower potential transmission of illness and should be considered the standard, unless mission, family, or resiliency needs necessitate the above exceptions.
- Quarantine Guidance
 - o STAY AT HOME. Do not leave your home or private yard during your quarantine period except for medical requirements. Non-quarantined household members may leave home.
 - o Take your temperature twice per day.
 - o If you develop COVID-19 symptoms, contact the MDG appointment line at DSN 226-8010. Symptoms include fever, chills, body aches, headache, sore throat, cough, shortness of breath/difficulty breathing, and/or loss of smell or taste. More info is available at <https://www.cdc.gov/coronavirus/2019-ncov/symptoms-testing/symptoms.html>.
 - o Travel quarantine exceptions: Individuals who are in quarantine due to travel and residing in the dorms, base lodging, or base housing are authorized to exercise outside for a maximum of one hour per day. During your time outside, do not leave the base, enter any buildings, attend gatherings or

Airmen – Readiness – Culture

48 MDG APPOINTMENT LINE 226-8010 / 01638528010
48 MDG AFTER-HOURS SERVICES 226-4226/ 01638524226

events, or come within 6 feet of any person. You may shop at the RAFL Commissary during advertised quarantine hours (Tuesdays and Thursdays from 0730-0830).

- If residing in base lodging, personnel must wait until the hallway is clear of people before leaving their room, wear face covering, and limit touching surfaces.
- These exemptions do not apply to individuals who are in quarantine off-base.
- Mission requirements permitting, household members of travel quarantined personnel should also be considered by unit commanders for Restriction of Movement (ROM) status for the duration of the travel quarantine period, encouraged to stay at home, and shall self-monitor for symptoms.

ISOLATION means you have tested positive or have symptoms consistent with COVID-19 infection and are awaiting results of a COVID-19 test.

- STAY AT HOME until released by the 48 MDG or your unit commander. Stay in a private room with a private bathroom where available, and avoid contact with anyone else in the household.
- If you live in a dorm room or lodging, DO NOT LEAVE THE ROOM.
- If you have symptoms and are awaiting results of a COVID-19 test, all members of your household must quarantine until you have been released by the 48 MDG.

Face coverings and social distancing. All personnel are mandated to wear cloth face coverings on public transportation, in indoor public facilities, and when they cannot maintain six feet of social distancing, unless otherwise approved by their unit commander or equivalent based on mission requirements. Civilian personnel (US, LNDH and MoD), family members, DoD contractors, and others are required to do the same. All on-base shopping and customer service facilities shall require face coverings or equivalent for employees and guests, and may deny entry to those not wearing face coverings. While off-base, follow UK guidance.

Social Gatherings. Usage of off-base restaurants, pubs, and bars shall be IAW HN guidance, according to the designated Tier for the area. For limits regarding the number of people you may meet with as a group, follow UK guidance. More information can be found at: <https://www.gov.uk/government/publications/coronavirus-covid-19-meeting-with-others-safely-social-distancing>

Exceptions are located at <https://www.gov.uk/guidance/local-covid-alert-level-high?priority-taxon=774cce22-d896-44c1-a611-e3109cce8eae>.

Support Bubbles. Resilience and support of personnel and families, in particular unaccompanied Airmen and families of deployed Service members are priorities for Team Mildenhall. Follow HN “support bubble” guidance, available at: <https://www.gov.uk/guidance/making-a-support-bubble-with-another-household>. Additionally, Dorm Airmen and Lodging Resident Resiliency Groups may partner with up to 3 other Airmen to become a support bubble. If traveling off base, all personnel must follow HN guidance.

Official Gatherings. Work-related duties, official gatherings and resiliency events/groups are a military necessity and are considered **mission critical** and are excepted from social gathering limits when conducted on-base. Participation for these work activities should attempt to mirror HN guidance, but unit commanders may authorize any number at on-base work related activities as needed for military necessity. However, those events with more than 30 people shall be subject to the unit commander's risk-based decision process, documented on an AF Form 4437, and coordinated with 100 ARW/SE. The risk-based process shall factor in the approved COVID-19 safe capacity of the venue and relevant laws and policies regarding events and gatherings. Social gatherings, and any off-base gatherings shall follow HN law requirement. For requirements and for specific exceptions to gathering limits, visit: <https://www.gov.uk/government/publications/coronavirus-covid-19-meeting-with-others-safely-social-distancing>

Accountability/Reporting requirements. Group Control Centers (GCC) and Unit Control Centers (UCC) shall remain in a warm status until further notice. GCCs/UCCs shall report the quarantine, isolation, or ROM status of unit personnel to include Command Sponsored dependents to inform the daily SITREP. This update will be emailed to the 100 ARW Command Post at 100ARW.CPY3@us.af.mil NL T 0900L each duty day. Unit leadership will

Airmen – Readiness – Culture

48 MDG APPOINTMENT LINE 226-8010 / 01638528010
48 MDG AFTER-HOURS SERVICES 226-4226/ 01638524226

identity and maintain roster of all RAF Mildenhall dorm resident Airmen and ensure they are separated IAW current DoD guidance.

COVID-19 Positive Test. All personnel who test positive for COVID-19 must report their status to unit leadership for reporting to the command post within **One Hour**. Military personnel are responsible for reporting their dependents. 100 ARW Command Post will inform the Medical Control Center of any such notifications.

Key Resources. For current DoD, HN, and CDC guidance, visit:

- **DoD guidance.** <https://www.defense.gov/Explore/Spotlight/Coronavirus/>
- **General UK guidance.** <https://www.gov.uk/government/collections/coronavirus-covid-19-list-of-guidance>
- **CDC: Cleaning and Disinfecting Your Facility.** <https://www.cdc.gov/coronavirus/2019-ncov/community/disinfecting-building-facility.html>
- **CDC: How to Protect Yourself & Others.** <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/prevention.html>

Keep up the fight. The best defense against COVID-19 is following medical guidance and executing good hygiene and social distancing. Continue to be vigilant in handwashing and the use of hand sanitizer, covering your coughs/sneezes, staying home when you are sick, staying away from others who are sick, routinely cleaning all frequently touched surfaces, etc. If you develop symptoms consistent with COVID-19, contact the 48 MDG Appointment Line at DSN 226-8010.

End State: The 100 ARW will continue to provide a ready force and strategic forward base, while ensuring the safety of our Airmen, their families, and the local community. Every scenario cannot be envisioned. Commanders and supervisors are therefore empowered to make well-reasoned decisions or implement mission specific additional requirements to meet the intent of this memorandum.

Please direct questions to the 100 ARW Front Office at DSN 314-238-0100 during normal duty hours or the 100 ARW Command Post after hours at DSN 314-238-0100 or email at 100arw.cce@us.af.mil.

S. TROY PANANON, Colonel, USAF
Commander

Attachment 1

RESTRICTION OF MOVEMENT DEFINITION KEY

1. Restriction of Movement status (on & off-base): Status when personnel are required by to restrict themselves to their home or room, or to limit their movement outside their home or room to limited essential activities within the tri-base area and/or local community or to minimize contact with others, in order to protect themselves and others. There is no time limit and release from this ROM status may be gradual and/or phased. The type of ROM shall be determined by unit commander or medical authority.

2. Lockdown status (on & off-base): Status when the base population, or a significant portion of the base population, are required to shelter-in-place, work from home, limit travel to official business within the tri-base area, and/or limit movement outside their home or room to limited essential activities in order to protect themselves and others. There is no time limit and release from Lockdown may be gradual and/or phased. The type of Lockdown shall be determined by unit commander or medical authority.

3. Isolation status (on & off-base): Status when personnel are suspected of having (they have COVID- like symptoms), or are confirmed positive for, COVID-19. Personnel are placed into, and shall remain in, isolation status while symptomatic or testing positive, and can only be released by competent medical authority. UK law requires self-isolation of COVID-19 positive persons for the duration of their symptoms, and for at least 10 days after symptoms have ceased. Household members of isolated personnel shall be immediately placed into Contact Quarantine status for 10 days after their last contact with the isolated individual, and shall self-monitor for symptoms.

- **Isolation ROE:** Personnel shall **STAY AT HOME** and not leave their home or room for the duration.
 - Stay in a private room with a private bathroom where available, and limit contact with anyone else in the household. Do not leave the room if you live in a dorm room or Lodging for any reason. Except emergencies. Do not have contact with anyone outside your household.
 - If residing on RAF Mildenhall, personnel shall NOT leave the base. If residing off-base, personnel shall not enter any base. For 100 ARW members residing on RAF Lakenheath or RAF Feltwell, they shall NOT leave that particular base.
 - Units shall ensure the provision of sustenance and personal care items for personnel and their households for the duration of their isolation.

4. Contact Quarantine status (on & off-base): Status when personnel have prolonged contact with a confirmed or suspected COVID-19 infected person. Personnel are placed into this quarantine status and shall remain until released by competent medical authority (the isolated patient has a negative COVID-19 test result), by the unit commander or equivalent, or at least 10 days has elapsed since last contact with a confirmed COVID-19 positive person, whichever occurs soonest. Individuals who have been in close contact with someone confirmed to be infected with COVID-19 will be tested. Should symptoms develop or the individual test positive, they shall be immediately placed into isolation status.

- **Contact Quarantine ROE:** Personnel shall **STAY AT HOME** and not leave their home or room for the duration.
 - Do not leave your home, or room if you live in a dorm room or Lodging, and minimize contact with anyone else in the household and avoid contact with anyone outside your household.
 - If residing on RAF Mildenhall, personnel shall NOT leave the base. If residing off-base, personnel shall not enter any base except for emergencies. For 100 ARW members residing on RAF Lakenheath or RAF Feltwell, they shall NOT leave that particular base.
 - Household members of contact quarantined personnel should also be considered by unit commanders for Restriction of Movement (ROM) status for the duration of the contact quarantine period, discouraged from travel, work, attending school, receiving childcare or visiting the fitness centers, and

Airmen – Readiness – Culture

48 MDG APPOINTMENT LINE 226-8010 / 01638528010
48 MDG AFTER-HOURS SERVICES 226-4226/ 01638524226

shall self- monitor for symptoms.

- Under England law, contact quarantined personnel must complete their required 10-day quarantine and CANNOT receive early release for any reason.

5. RAFM Permanent Change of Station Quarantine status (on & off-base): Status when personnel PCS to RAF Mildenhall from outside of the United Kingdom (UK), regardless of UK travel quarantine requirements. Personnel and their households shall remain in this quarantine status for 10 days from their date of entry to the UK unless released by unit commander. Personnel shall continuously self-monitor for symptoms and shall provide daily status reports to their supervisor. Should symptoms develop, personnel shall be immediately placed into isolation status and tested.

- **PCS Quarantine ROE:** Personnel shall remain in quarters/private yard for the duration, and shall only leave for maximum of one hour total per day for limited essential excursions.
 - Personnel shall be screened immediately upon their arrival, and this will include a COVID- like symptom questionnaire and a temperature check.
 - Essential excursions shall be limited to medical emergencies, outdoor exercise and pet care, and shall not include visits to the Base Exchange, BX Express, Commissary, Dining Facility, or any market, pub, restaurant, service, shop or store.
 - Avoid contact with anyone outside your household.
 - If residing on RAF Mildenhall, personnel shall NOT leave the base. If residing off-base, personnel shall not enter any base except for emergencies. For 100 ARW members residing on RAF Lakenheath or RAF Feltwell, they shall NOT leave that particular base.
 - Units shall ensure the provision of sustenance and personal care items for personnel for the duration of their quarantine.
 - PCS quarantined personnel MAY be authorized early release from 10-day quarantine with a negative COVID-19 test result, subject to UK law, applicable testing requirements, resource availability and unit commander concurrence. See CAT Directive 40 for details.

6. UK Travel Quarantine status (on & off-base): Personnel are placed into this quarantine status due to travel from, to or through a country or territory not on the approved UK travel corridor list, which can be found on their website at: <https://www.gov.uk/guidance/coronavirus-covid-19-travel-corridors>.

- **UK Travel Quarantine ROE:** Personnel shall remain in quarters/private yard for the duration, and shall only leave for maximum of one hour total per day for limited essential excursions
 - UK law requires all travelers to the UK to self-isolate for 10 days upon arrival, unless exempted (see below). The UK travel quarantine requires that personnel remain in one place for the duration, have no visitors, not go to work, not go shopping or visit public areas, except in certain limited circumstances. Do not leave your home, or room if you live in a dorm room or Lodging, and minimize contact with anyone else in the household.
 - Avoid contact with anyone outside your household.
 - Essential excursions shall be limited to medical emergencies, outdoor exercise and pet care, and shall not include visits to the Base Exchange, BX Express, Commissary, Dining Facility, or any market, pub, restaurant, service, shop or store.
 - If residing on RAF Mildenhall, personnel shall NOT leave the base. If residing off-base, personnel shall not enter any base except for emergencies. For 100 ARW members residing on RAF Lakenheath or RAF Feltwell, they shall NOT leave that particular base.
 - Household members of travel quarantined personnel should also be considered by unit commanders for Restriction of Movement (ROM) status for the duration of the travel quarantine period, encouraged to stay at home, and shall self-monitor for symptoms.
 - Units shall ensure the provision of sustenance and personal care items for personnel for the duration of their quarantine.
 - UK travel quarantined personnel MAY be authorized early release from 10-day quarantine with a

Airmen – Readiness – Culture

48 MDG APPOINTMENT LINE 226-8010 / 01638528010
48 MDG AFTER-HOURS SERVICES 226-4226/ 01638524226

negative COVID-19 test result, subject to UK law, applicable testing requirements, resource availability and unit commander concurrence. See CAT Directive 40 for details.

- **UK Travel Quarantine Exemptions:** Applies to all personnel that the UK has specifically exempted from the travel self-isolation (quarantine), and certain limited categories of United States Visiting Forces (USVF) that can be exempted due to mission requirements. Exempted personnel are not required to comply with the UK's 10-day travel self-isolation requirement. Eligibility does not confer exemption approval, so eligible personnel are not automatically exempted – must wait until their exemption request is approved.
- **UK Travel Quarantine Exemption ROE:** Regardless of their status with respect to the UK's travel quarantine requirements, all personnel remain subject to current RAF Mildenhall policies.
 - Personnel arriving to RAFM with an exemption from UK travel quarantine requirements must carry their exemption documents at all times, shall continuously self-monitor for symptoms and shall provide daily status reports to their supervisor or sponsoring unit as applicable.
 - Personnel shall be screened immediately upon their arrival, and this will include a COVID- like symptom questionnaire and a temperature check.
 - Personnel shall limit their travel to the tri-base area and adjoining communities for the first 10 days after arrival.
 - All personnel must exercise proper COVID hygiene, shall minimize contact with others outside of their workcenter and shall self-monitor for symptoms.
 - Excursions on and off-base shall be limited to official business, official appointments, medical emergencies, food/medicine purchases, outdoor exercise and pet car.
 - Exempt personnel shall minimize contact with any quarantined or isolated household members.
 - Should symptoms develop, personnel shall be immediately placed into isolation status, and their exemption becomes null and void.

7. Transient Airside Restriction of Movement status (on-base only): Status when personnel (crews and passengers) arrive at RAF Mildenhall (RAFM) via military air or contract air, with the intent for the mission to make a temporary stop along their route, regardless of origin or travel stops prior to arriving at RAFM. See RAFM Transient & TDY Personnel Policy for additional requirements. Transient personnel shall be considered "airside" for the purposes of exemption from the UK travel quarantine when making a temporary stop at RAFM. Personnel are in this status for the duration of their stay, not-to-exceed 24 hours from time of arrival. Personnel are to be lodged on RAF Mildenhall, and shall remain, **ON BASE** for the duration of their stay.

- **Transient ROM ROE:** Personnel are prohibited from leaving RAFM unless transported to RAF Lakenheath or RAF Feltwell by RAF Mildenhall personnel in a Government-owned Vehicle (GOV) for official business only.
 - Personnel shall be screened immediately upon their arrival, and this will include a COVID- like symptom questionnaire and a temperature check.
 - Transient aircrew/personnel will quarantine to the maximum extent in their rooms and limit contact with other unless mission requirement dictate otherwise.
 - Personnel must exercise proper COVID hygiene and minimize contact with others at all times.
 - Only the aircraft commander, or designated crewmember will enter the 100 ARW Command Post, or other location on RAFM, to check in, drop-off/pick-up classified material for storage.
 - Meals are available from the DFAC and the Flight Kitchen (bldg. 436) only.
 - On a case-by-case basis and as necessity dictates, the aircraft commander, designated crewmember or troop commander may make a **ONE-TIME** trip to the Commissary, BX and/or BX Express to buy required items for their crew/troops. If this occurs, the individual shall follow all COVID-19 protocols.
 - Excursions on-base should be limited to official appointments, medical emergencies and outdoor exercise.
 - Gatherings are limited to the immediate aircrew/troops on lodging grounds, and shall comply with current base policies. Aircrews/troops will avoid areas that put transient personnel and the base

Airmen – Readiness – Culture

48 MDG APPOINTMENT LINE 226-8010 / 01638528010
48 MDG AFTER-HOURS SERVICES 226-4226/ 01638524226

- populace at risk. For all gatherings, proper COVID-19 protocols are mandatory, even among aircrew/troops, while on RAF Mildenhall.
- Personnel shall be screened immediately prior to their departure, and this will include a COVID-like symptom questionnaire and a temperature check.

8. Pre-Deploy ROM (on & off-base): Status when personnel are required by DAF FHP Guidance to ROM.

- Required when personnel prepare to deploy – see UDM for exceptions
- Minimum final 10 days per latest guidance, may increase with gaining Host Nation requirements, before departure date.
- If gaining Host Nation requires the ROM to be performed on-base, off-base personnel must be lodged on-base at unit expense.
- A ROM should be: full 24 hour periods, during which members will limit close contact (within 6 feet or 2 meters) with others and be restricted to their residence or other appropriate domicile or location, medical appointments, or excursions to acquire essential items.
- All excursions require the use of cloth face coverings and will be limited to 15 minutes or less when entering a public area to include stores, gas stations, etc.
- Personnel may be required follow Foreign Clearance Guide/host nation requirements. (e.g. UK mandates 10-day self-isolation upon arrival, deployer will not be required to complete separate pre-deployment ROM).
- Personnel may be required to have a negative COVID test and/or provide proof of ROM prior to departure
- Personnel may be required to perform ROM at their APOE, APOD and/or final destination.
- See your UDM for latest **AFRICOM, EUCOM and CENTCOM ROM ROEs**

Attachment 2

HPCON BRAVO with CHARLIE/DELTA MEASURES

1. Consider broad physical distancing (and possible medical countermeasures (i.e., distribution of prophylaxis, mass vaccinations, etc.). Members should visit the attached key resources to obtain and comply with the latest DOD, AF and UK COVID-19 restrictions and guidance. At RAF Mildenhall the following physical distance measures are in effect:

- Maintain a physical distance of 6 feet away from other individuals/families whenever possible and comply with the SecDef directive to wear a face covering when unable to maintain the appropriate physical distance.
- Wear face coverings when proper physical distance cannot be maintained, and when entering facilities that require their wear such as the Post Office, BX, Medical Group, and any other designated facilities.

2. Continue enhanced/expanded ongoing public health surveillance and communications/reporting routines to include monitoring of suspected human-to-human transmission cases.

3. Continue plans/processes to deliver essential goods to personnel assigned to home isolation.

4. Continue and adjust as necessary installation coordination and crisis response structures. Ensure coordination with host nation agencies.

5. Be prepared to provide surgical masks and isolate patients suspected of having the contagious disease prior to entering the medical facility, all other patients will be expected to wear cloth face coverings.

6. Plan for alternate service delivery strategies and activities for children and youth for periods when social distancing measures are enacted (e.g., on-line, telephone or drive thru book or movie check-out, PPE and hand washing/sanitizing capabilities at movie theaters, arcades, shopping facilities, etc.).

7. All RAF Mildenhall entities should adhere to Food Specific Food Protection Measures, and practicable COVID secure work/common area hygiene measures, as recommended by RAF-Lakenheath Public Health.
