

# When to submit an AF Form 978, Supervisor Mishap Report

Definition: A mishap is an unplanned occurrence, or series of occurrences, that results in damage or injury.

## Damage or injury includes:

- A) Damage to DoD property (not normal wear and tear)
- B) Injury to DoD military personnel on/off-duty
- C) Occupational illness to DoD military/civilian personnel
- D) Injury to on-duty DoD civilian personnel
- E) Damage to public/private property, injury/illness to non-DoD personnel caused by USAF ops

\*Civilian mishaps that occurred while Off-Duty do not need to be reported
