Main Purpose

We are currently seeking a highly skilled and motivated individual to join a premier team of Engineers at the 422 Civil Engineering Squadron, Royal Air Force Croughton, United Kingdom.

The primary purpose of this position is to perform inspections on a variety of facilities and infrastructure involving a range of minor to complex construction, maintenance, and repair operations; and regularly conduct inventory and assesses condition of water, wastewater, gas, medium temperature hot water, and heating ventilation & air conditioning systems for a variety of physical facilities and main distribution infrastructure using computerized Sustainment Management System programs. Also, the incumbent will assist planners in developing the Utilities and Facilities Activity Management Plans, which includes annual work plans for both corrective and preventive maintenance programs best fit for the portfolio of facilities and infrastructure on record. Incumbent will coordinate with contractor representatives concerning work plans, scheduling interpretation of plans and specifications, selection of work methods, and acceptability of materials and workmanship to ensure compliance with contract requirements. Required to attend contract bid opening, pre-construction conferences, project closeouts, and fire and safety conferences to provide needed information and clarify technical portions of specifications and plans. Additionally complete assurance audits to ensure for all aspects of building, facility repair, modification, maintenance, minor new works, and preventive maintenance is carried out to a high standard. This post performs inspections on operation, repair, and maintenance of large or complex real property, such as multi-unit family housing areas and large information technology-based facilities; Liaises directly with clients to identify requirements and obtain and act on feedback. Maintains daily logs and safety reports addressing the progress of construction and the administration of the contract.

If you're looking for a challenging, gratifying career supporting the US Visiting Forces in the United Kingdom -- this job is for you; apply today!
