Work Hour Per Week	37.5h	Salary (Per Hour)	£15.87- £22.02

NOTE: Several vacancies may be available - multiple selections can be made from this announcement

Main Purpose

We are currently seeking a highly skilled and motivated individual to join a premier team of Construction Control Inspectors at the 422 Civil Engineering Squadron, Royal Air Force Croughton, United Kingdom.

The primary purpose of this position is to perform inspections on a variety of complicated structures involving difficult and complex operations and maintenance activities; or inspections of a major segment of difficult and complex operations and maintenance activities involving sophisticated mechanical, electrical, or hydraulic systems and equipment. Will gather information to compile into written inspection reports.

Will perform the following duties:

- Inspection and surveillance of difficult and complex maintenance, repair and minor construction projects
- Duties as a technical consultant to the contracting office and engineering flight.
- Duties related to inspection of equipment and materials.

Complies with health, safety, and environmental rules and procedures and performs work in a manner that enhances the safety of the work environment. If you're looking for a challenging, gratifying career supporting the US Visiting Forces in the United Kingdom -- this job is for you; apply today!

Knowledge and Experience Required

Applicants must demonstrate the following:

1. Knowledge of construction inspection practices and procedures involved in the inspection of building materials, workmanship, utilities, and the installation of systems; and the practical methods and techniques of engineering principles relating to complex construction practices and procedures.
2. Knowledge of electrical, mechanical, and structural aspects of major construction projects.
3. Knowledge of inspection and safety practices and procedures in the construction industry.
4. Knowledge of engineering and architectural plans and specifications to read and interpret construction requirements.
5. Knowledge of construction trades, algebra, geometry, and trigonometry.
6. Ability to communicate effectively, both orally and in writing.

Other Important Information

- Hours of work: Start & end times may be modified due to mission needs and in accordance with organization's flexible working policies.
- Will be required to handle and safeguard sensitive information in accordance with applicable US and UK laws, rules, and regulations.
- Must obtain and maintain the appropriate security clearance.
- May be assigned other duties that are appropriate to the grade and skill set of the employee.
- May be required to travel by military and/or civilian aircraft in the performance of official duties or attend necessary training. Position may be coded as mission essential.
- A 6-month probationary period will be required.
- Overtime may be required.
- May be required to travel overnight to US or other countries in the performance of official duties or attend necessary training.

Other significant facts pertaining to this position are:

1. Employee is expected to hold HND/HNC/BTEC, City and Guilds, NVQ level 3 or equivalent qualifications in an appropriate discipline. Bachelor's degree is not required.
2. The work may require the employee to drive a motor vehicle. An appropriate, valid CAT B driver's license may be required for the position.
3. The position requires the knowledge of numerous regulations and codes of work. From time to time, there are various courses that must be attended to keep up to date with new practices, materials and safety legislation.
4. May be required to wear personal protective equipment when performing on-site inspections.
5. Required to operate a two-way handheld radio and/or mobile phone.
6. Employee is expected to be familiar with software packages currently in use by 422 CES and the NGEC contractor; training may be required to obtain the necessary proficiency.
7. May be required to perform minor duties not described above, outside of the normal scope of work but within grade requirements.

Benefits

- 25 days Annual Leave + UK Bank Holidays, Annual Leave year-to-year carryover in accordance with program policy
- Paid Sick Leave; year-to-year carryover in accordance with program policy
- Pension Scheme
- Life Assurance Scheme
- Employee Assistance Program (EAP)
- Free on-site parking
- Specialized Training provided throughout entire period of employment
- Development opportunities available
- Time off, cash and honorary awards and recognition available for significant contributions and consistent high performance
- Free access to on-site gym facilities

Who Can Apply

- Citizens of the UK, Nationals of European Community (EC) Countries, and Commonwealth Citizens, other Foreign Nationals, and Stateless persons provided no restrictions have been imposed as a condition of continued residency in the UK.
- Applicants who have a minimum of five years consecutive residency in the UK are considered for this position; however, those who do not meet this criterion will be considered on a case-by-case basis. All successful applicants will require a security clearance.
- Please note pre-appointment security clearance requirements may delay start date.
- Proof of identification in the form of a photo ID will be required, for example a driving license or current passport.
- This position may have certain restrictions to US citizens due to the Status of Forces Agreement. For additional information contact the LNDH team on 01638 544955.
