Job Description

The purpose of this position is to perform advanced diagnostics, maintenance, and complex overhauls on combustion-powered vehicles, trucks, and specialized subsystems (including engines, transmissions, and electrical/hydraulic assemblies) while serving as a certified Class IV/VII MOT Vehicle Inspector. Operating within the Auto Hobby Shop, the role involves instructing and assisting patrons with complex automotive repairs, managing retail operations—including inventory stocking, sales, and cost estimation—and operating vehicle recovery trucks for towing and emergency services.

Qualifications and Key skills

- Level 3 Diploma (City & Guilds, BTEC or similar) in Light Vehicle Maintenance and Repair or similar
- Current Driver and Vehicle Standards Agency (DVSA) Nominated Tester with a valid MOT license
- A valid UK CAT B driving license.

Highly skilled mechanical technician with comprehensive expertise in diagnosing, overhauling, and rebuilding complex major assemblies, including engines, transmissions, differentials, compressors, and specialized hydraulic lifting systems. Proficient in utilizing a wide range of standard, metric, and specialized diagnostic equipment, with a strong practical understanding of electrical and hydraulic principles to perform precise system adjustments. Fully qualified to independently conduct and document

MOT inspections in compliance with DVSA directives, and highly adept at interpreting technical manuals, schematics, and diagnostic codes. A reliable professional capable of managing retail inventory and financial accounting, who excels at instructing team members and delivering exceptional customer service.
