### Job Description:

The primary duties of this position involve preparing and coating various surfaces such as wood, metal, and concrete. This includes tasks like scraping, sanding, cleaning, and masking surfaces; mixing and applying coatings like primers, paints, and varnishes; and ensuring the final finish meets specified requirements. The role also requires adherence to safety protocols, maintaining a clean workspace, and properly utilizing and maintaining tools.

### Qualifications and Key skills:

- A valid UK category B driving license is required
- 1 Years' experience as per the key skills listed below:
  - Knowledge of standard surface preparation and coating methods and techniques.
  - Knowledge of paints and thinning compounds.
  - Knowledge of safety rules and regulations include regulations pertaining to hazardous waste management.
  - Ability to read and follow instructions, standard specifications, etc. (other than blueprints).
  - Ability to use and maintain tools and equipment such as scrapers, wire brushes, putty knives, sandpaper, paintbrushes, rollers, compressors, and spray guns.
  - Ability to learn mixing, matching, and toning techniques.

## Conditions of employment

1. You will be required to handle and safeguard sensitive information in accordance with applicable US and UK laws, rules and regulations. This position may also be coded as mission essential.
2. You may be required to travel by military and/or civilian aircraft, and you may also be required to travel to the US or other country, in the performance of official duties or attend necessary training.
3. You will be required to complete a 6-month probationary period.
4. Start & end times may be modified due to mission needs and in accordance with organization's flexible working policies. Overtime may be required and you may be assigned other duties not included in this position description, but that are appropriate to the grade and skill set of the incumbent.
5. You must be able to communicate effectively both orally and in writing.
6. You may be required to work other than normal duty hours, which may include evenings, weekends, and/or holidays. Shift work may be required. Emergency overtime may be required but is not guaranteed.
7. You may be required to operate and train on sign-making machines.
8. You may be required to meet the requirements for "Production Acceptance Certification" (PAC) Program.
9. A pre-appointment physical/health screening is required. Appointment may be contingent upon passing a physical examination. The physical requirements of this position are working at extreme heights, in cramped and hard-to-reach places, requiring the ability to stand, stoop, bend, kneel, climb, be strapped into swing stages and work in tiring and uncomfortable positions. You will be required to lift, carry, and set up materials and equipment that weigh up to 10 pounds. Occasionally, you may be required to handle materials and equipment that weigh 40 pounds and over.
10. Exposure to toxic paints, chemicals, or other hazards may require occupational health examinations.

**NOTE:** You will require a security clearance and a right to work in the UK

This position may have certain restrictions on US citizens including US dual nationals due to the Status of Forces Agreement. For additional information contact the LNDH team on 01638 544955.
